

## **JUDY CLIFTON**

**Judy graduated from Auburn with a degree in Advertising Design. She was Art Director at the PBS TV station in Atlanta and later Graphics Coordinator for a major PGA event. As her family grew she scaled back and did free lance work and volunteered her talents to her church and civic groups. However, the desire to paint was still present and after the children were grown she took up watercolor, attended workshops and traveled with the University of Georgia Studies Abroad program to Cortona, Italy . Judy also returned to the working world at the Atlanta Merchandise Mart as Showroom Manager and used her display skills specializing in Christmas and worked with several companies decorating large office building and shopping centers.**

**Three years ago she and her husband purchased a home in Saint Simons and moved here. She decided she wanted to paint in oils again, her first love, and has really enjoyed painting with the group under Barbara Mueller. Judy likes to paint the beauty of the island—the oaks, marshes, beach, and the fishermen. She also enjoys painting scenes from her travels in Europe. Judy is a widow with three children and four grandchildren. Her paintings are shown at Glynn Art Association and Gallery One on St. Simons and C& S Trading Company in Eulonia.**
